To: Homestead Residents

RE: Painting of Parking Lot – Monday, July 21<sup>st</sup>

---

This is an important notice to inform all residents that on Monday, July 21, 2008 the parking lot lines for the property will be re-painted. In order to achieve this, the following must be achieved:

- ❖ All residents must remove their vehicles from the property by 8:00 am on that day and remain off until 5:00 pm.
- ❖ If you do not remove your vehicle during this time, your car will be towed.

We thank you for your cooperation as we improve the aesthetic of the property and clarify the space numbers for greater ease of use. Barkan Management apologizes for any inconvenience this may cause you.
